Player profile:	The reason why I'm on this platform is to get an opportunity to find a good project where I'll be able to prove myself. I'm looking for an opportunity to go for a trial. I am confident that my skills and qualities on the football pitch make me a great option. My motivation, determination, and commitment to the sport combined with my speed and my ability to create scoring opportunities for myself and my team can really be an interesting asset.
