Player profile:	<p>About me: I started to play football since I was seven years old. When I was 10 years old I have been transfer to FC ZBROJOVKA BRNO (This club plays first league in Czech Republic since 1913.) I spent almost 10 years in FC ZBROJOVKA BRNO. I played against the best teams in Czech Republic. At some tournaments I played against teams like Neapol, Everton, Manchester City, Leverkusen, etc. I was on a few pre-season tournaments with our Representation of Czech Republic U-15 but before the final tapering of the squad I had to go on operation with my knee so I was for one year out of the game. After this injury I was sent on loan to mens competitions. First team FC Caslavice Sadek (2014-15) played lower league so I easily became the most productive player of the team. After one year I had to transfer to SK Lisen U-19 because of a decision from my parent club FC Zbrojovka Brno. In SK Lisen I became the most productive player of the team again. The next destination was club FC Zdas Zdar (2015-16). After half season club has changed Head coach so I decided to try my luck a in higher league. In MSK Breclav (2016-17) I took again the role of the most productive player but it wasn't good enough to held team in league and we descended. I wanted to stay in 3. league so after several meetings with headcoach of FK BLANSKO (2016-2017) I decided to stay in FK Blansko. Bad news for me was that He didn't complie with agreed terms. I had to change club if I wanted to play 90 minutes. Well I had a deal in Slovakia (2.league) everything was arranged and I could left FK BLANSKO, but .. In the last match for FK Blansko I had broke my vertebrae and I was out of the game over than half year. At this time I am fit on 100% thanks my condition coach and trainings with FKB. I am prepared to get my place back so lets do it!</p>
