Player profile:	<p>Enthusiastic and always eager to progress at the club. It is extremely important for me to maintain a good atmosphere with my teammates because I have realized through many years of experience how much this can affect the field. My mission is not only on the field but also off it, we are here to encourage each other even when things are not the way we want them to be. I see each match individually as very important and I dedicate myself to it. I am often self-critical and try to be realistic in every situation. Since I've been in football for so long I've learned a lot of things. I know it can always get better. My dream is to one day become a coach, but before that I want to make sure I did my best on the field. I have often been in situations where the club has made great progress after the whole team rushed to win, that is what makes me happy, very good results. I know I can still give a lot to football and enrich my career.</p>
Achievements:	<p>As a child, I attended the famous football school Dinamo Zagreb. I participated in the European Youth Championship (U19) representing Croatia. One of my favorite successes in my career is the award from the fans in Lithuania (Žalgiris). After coming to FC Memmingen in Germany I scored 5 goals in the season. That season we did quite well on the table. I had the honor of being sometimes captain there, and in Austria twice, which I consider a success because I was quite new to the team. I am happy that the fans in every club respected me very much and that I left a good impression on them.</p>
